1. CivicRMS includes 2TB of storage.
2. Subscription Fees include up to 2 integrations at no additional cost.
3. Additional Integrations priced at \$2,500 each per year for industry-standard products available on the market, \$3,500 per year for custom integrations, or integrations built in-house by client organizations or contractors. Modification to the current proposal to expand scope to account for a custom integration can be completed via change order during the project, if necessary.
4. Setup fees for integrations quoted assuming industry-standard products available on the market at a rate of \$5,000 one-time setup fee per integration. Custom Integrations, or integrations built in-house by client organizations or contractors incur a one-time setup fee at a rate of \$7,500 per integration. Modification to the current proposal to expand scope to account for a custom integration can be completed via change order during the project, if necessary.
5. On-site training is charged at a rate of \$2,500 per CivicEye resource, per 8-hour day. Virtual Training can be substituted for onsite training for \$1,000 and will consist of two 8-hour days of virtual training. CivicEye can provide best-practice recommendations on utilizing the virtual training blocks if desired.

Prices shown above do not include any taxes that may apply. Any such taxes are the responsibility of Customer. This is not an invoice. **Two invoices will be generated upon execution of this order form; 1) All Year 1 Subscription Fees and 2) 75% of all One-time fees. While the subscription date begins with the provisioning of the client environment (necessary to begin configuration and integration of the client experience), **As a client courtesy, CivicEye agrees to net 120-day payment terms on this initial subscription invoice.** Subsequent renewal invoices will be billed just ahead of the anniversary of the provisioning date and contain net 30-day payment terms. The initial "One-Time" invoice will carry net 30-day payment terms. The final "One-time" invoice (balance or 25% of project fees) will be billed upon "go-live" of the client environment and will be due 30 days after receipt. Optional Items, added via signed change order, are invoiced immediately upon execution of the Change Order Form. For customers based in the United States, any applicable taxes will be determined based on the laws and regulations of the taxing authority(ies) governing the "Ship To" location provided by Customer on this Order Form. Unless the subscription is renewed through a new subscription agreement or written notice of cancellation is provided at least sixty (60) days in advance of the subscription end date, all subscriptions auto-renew for one (1) year once the client reaches the Subscription End Date listed on this order form, with an increase to the then-current CivicEye unit price. Upon signature by Customer and submission to CivicEye, this Order Form shall become legally binding unless this Order Form is rejected by CivicEye for any of the following reasons: (1) changes have been made to this Order Form (other than completion of the purchase order information and the signature block), or (2) the requested purchase order information or signature is incomplete or does not match our records or the rest of this Order Form. Subscriptions are non-cancelable before their Order End Date. This Order Form is governed by the terms of the CivicEye Subscription Service Agreement.
